email: registration@rotarynr.ca

Dear Crafters and Artists:

2012 is the seventh year that the Rotary Club of North Renfrew (Deep River) will be organizing the Deep River Arts and Crafts Fair. We welcome returning crafters and artists and we encourage new crafters and artists to display their wares. Community Displays, Home-Based businesses and Rotary/Interact Projects will be featured in the Small Gym.

The ever popular '**INTERACT CAFÉ**' will return with a selection of foods and drinks. We will advertise throughout the Ottawa Valley to bring in more shoppers.

Registration by e-mail is available for your convenience. Because Rotary is a service organization and we donate all the money we raise to charitable causes, we are trying to keep all costs as low as possible. Using a website and e-mail will allow us to communicate with you quickly and easily. Registration forms, rules and vendor booth layouts can be downloaded from a link on the Rotary Club's website. You can communicate with us by e-mail (**info@rotarynr.ca** or **registration@rotarynr.ca**). It is very important that we have your e-mail address. Of course we will also use regular mail service for those without access to e-mail. Write to the Rotary address above, attention Bob French.

Booth dimensions are "**metric**". Booths are 2 m (6' 6") deep and are sold in multiples of 1 m widths (3' 3"). The minimum booth width is 2 m. A first come first served will apply to booth sales. NOTE: booth sizes, as shown on our website, can be adjusted to suit your needs.

We are especially aware of the need for good advertising and have taken seriously other suggested improvements to increase vendors' sales. Satisfaction of customers as well as crafters and artists is a real priority. We want to make our Fair the best in the Valley.

We welcome returning and new Crafter/Artists. Our ROTARY Motto is "SERVICE ABOVE SELF". We will make every effort to ensure that your participation is rewarding and FUN.

We look forward to hearing from you.

Sincerely,

Bob French,
Coordinator
